

ALLOWING

abundance

Law of Attraction Haven

release resistance and reconnect with abundance

YOU'RE NOT *doing it wrong*

- ✦ Many people try to “manifest money” but feel frustrated.
- ✦ You can teach yourself to align with the energy of money.
- ✦ Lack of money is not a failure.
- ✦ Resistance is common, but not natural.
- ✦ This guide will help you notice and soften resistance.

“

TODAY AND EVERY DAY

MONEY

FLOWS TO ME WITH EASE

”

WHAT IS *abundance?*

- ✦ Abundance is trust in universal flow.
- ✦ You cannot force abundance.
- ✦ Abundance is a state of alignment; it is not solely about money.
- ✦ Feeling ease with money helps you make money.
- ✦ A mindset shift will change what you attract.

SHIFTING MY

MINDSET

IS THE 1ST STEP TO WEALTH

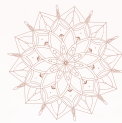

WANTING MONEY
can make it sparse.

- ✦ Urgent desire for money can create tension.
- ✦ Fear of lack blocks the natural flow of money and abundance.
- ✦ Too much effort creates struggle.
- ✦ Money responds to your emotional state.
- ✦ Letting go creates space for abundance.

“

I AM WORTHY OF

ABUNDANCE

IN ALL ITS FORMS

”

THE 4 BLOCKS TO *abundance*

- ✦ 1. Limiting beliefs such as “there’s not enough”.
- ✦ 2. Emotional resistance: fear, guilt, jealousy, or resentment.
- ✦ 3. Wanting money but feeling lack.
- ✦ 4. Controlling life instead of allowing it to flow.
- ✦ Awareness of these blocks gives you a strong headstart.

“

I ALLOW

ABUNDANCE

TO FLOW INTO MY LIFE

”

WHERE ARE YOU *blocking flow*

- ✦ When I think about money I feel. . .
- ✦ One belief I may be ready to question is. . . .
- ✦ I feel ready to allow more money into my life because. . .
- ✦ Which emotion do you associate with abundance?
- ✦ Notice belief patterns without judgment.

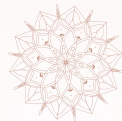

“

I NOW

ALLOW

MONEY TO SUPPORT ME

”

BREATHE TO ALLOW *abundance*

- ✦ Take a deep slow breath.
- ✦ Visualize money as supportive energy.
- ✦ Repeat: "I allow my relationship with money to soften".
- ✦ Feel tension release as you exhale.
- ✦ Inner alignment must come before money appears.

I ALLOW MY

RELATIONSHIP

WITH MONEY TO SOFTEN

ABUNDANCE IS A *practice*

- ✦ Change takes practice, not effort.
- ✦ Habits and beliefs shape your experience with money.
- ✦ Consistent alignment = money flow.
- ✦ Be patient, every small shift counts.
- ✦ Abundance grows as your **awareness** of abundance grows.
