Lecture: Law of Attraction

The Universal Life Principle is speaking through you now as a desire—for God speaks to man through desire.

You desire to be greater than you are. You desire health, love, peace, harmony, abundance and security—if you don't, you're abnormal.

Your ultimate desire is to have a sense of oneness with God, which is called the yoga of love.

This Life Principle will reveal to you the way for the fulfillment of your dream. It knows how to bring it to pass, but you must open your mind and heart and receive wholeheartedly the gift of the one who forever is.

Cast out of your mind all preconceived notions, false beliefs and superstitions and realize, 'before you call, I will answer, while you are yet speaking, I will hear.'

This means that you must order your mind and thoughts to conform to the age-old truth that whatever you are seeking already exists in the infinite mind. It's already there.

All you have to do is to identify mentally and emotionally with your desire, idea, plan or purpose, realizing it is as real as your hand or heart.

For example, you may have a new invention in your mind. Although you haven't committed it to paper or drawn a diagram, a good, sensitive psychic, medium or clairvoyant can describe that invention. How? Because it is already in

your mind and you're in rapport with the sensitive or the psychic and they can describe it. How? Because it's already there! That's the reality of it.

As you walk the earth in the assumption that your prayer is answered, you shall have the joy of experiencing its reality objectively.

The invention and the part of the inventor is as real as its objective counterpart. This is why your desire, or new project, is also real subjectively speaking. Your new book, your new play...where is it? It's in your mind, it's real! It has form, shape and substance in another dimension of mind.

I saw a girl dancing at Jasper Park Lodge. It was easy to see the wisdom, intelligence, order and rhythm of the spirit flowing

through her. She said she was dancing for God, to use her own term. She received tremendous applause for work well done.

That's wisdom, isn't it? You see the beauty, the order, the symmetry, the proportion, the grace, the charm—all that is wisdom. She deserved the praise. She danced graciously, gloriously and rhythmically. She told me that her teacher told her to always pray that God was dancing through her, and that God's beauty, order, proportion and wisdom would always function through her.

Struggling, toiling and moiling are not the answer. Reverence for the infinite and contacting the infinite power—that's the answer.
